ABOUT MES(THE MUSLIM EDUCATIONAL SOCIETY)

MES movement was started in 1964 by a group of socially conscious and well-known professionals, intellectuals, educationalists and businessmen. The society has been promoting a large number of educational projects and programmes right from primary schools to professional colleges. In a short span of time, its activities is being spread over almost every district in Kerala by starting a large number of Educational Institutions. At present the society runs more than 150 institutions which include professional institutions like Engineering colleges, Medical college, Nursing college, Dental college, NAAC accredited aided and self financed Degree/PG Colleges, Women's Colleges, more than 50 schools including Aided & Unaided, CBSE & ICSE Schools.

In addition to the institutions in the State of Kerala and Tamil Nadu, MES had established institutions in West Asian countries like Saudi Arabia, U.A.E, Qatar and Sultanate of Oman.
